*"Dedicated to Community Unity"*

Dear Friends,

Our **20th Annual Lincoln Park Day** is on September 24, 2011 with a rain date (which we hopefully won't need) on September 25, 2011. Please join us for the celebration!!

Community exhibits, non-profit organizations, health and safety, local businesses, games, rides, food & entertainment will be on the field at the Boro complex next to the library. **Free** spaces are available to all for non-profit activities and public relations. Each space will be 15' X 10' . You may reserve more than one space. All participants need to confirm planned activities in writing to reserve a **free** space(s). Please return the response form on page 2 as soon as possible.

This is our day to show pride in our community, exhibits and activities are designed to expand the public awareness of local organizations, businesses and services in and around our area. Participants are encouraged to offer a fun activity, game or give-a-way at their space.

The Lincoln Park Day Festival is made possible by donations from local businesses, organizations and individuals. If you would like to sponsor an area of the festival, and receive the recognitions accorded to each level, please see page 2 for details about levels of sponsorship and areas that depend on your support.

Thank you,  
Diana Scimeca Community Resources Coordinator
